“ I thought about reviewing my experience with Rendon Legal for a long time. It was a bumpy road with a lot of "one step forward and two steps backward." Not exactly where the fault lies but it was not entirely Rendon Legal's. I think the whole legal system is extremely hard to navigate when it shouldn't have to be. Krystal Shircliffe who is the Legal Assistant in Laci's office has been a God send to me throughout the whole process of getting my husband's will probated. Every time I called their office she took my call and followed-up with calls to me when I needed information. She was my lifeline. I am grateful she was there to help me with my many questions and concerns and in the end, she came through for me in closing out the process. I am so glad she works for Laci Rendon. ”

“ Rendon Legal is the best. I dropped a previous attorney for failing me in what needed to be done (after waiting 9 months). Once I got with Rendon Leagl things got moving. Great advice, firm, and smart. Lacie and her staff not only knew what they were doing, but also attentive and responded within a timely manner. To any questions or concerns I had. My case wasn't no ordinary case and there were plenty of challenges. They handled it flawlessly. Rendon Legal was recommended to me after expressing my frustration of my previous attorney. I will recommended Rendon Leagal over and over again. They will have you saying I love my attorney and I do. Thank you guys for being there when all seemed lost. ”

Laci and team are awesome! Laci patiently listened as we dished out our dilemma, and offered some very good advice. We will definitely use this office again.

For a lawyers office, I would expect better manners from the people you employ. The person answering the phone was extremely rude and kept running back and forth to get information. Unable to actually speak to anyone with legal experience, I was told they couldn't assist me. The brash nature of the remarks regarding what I should do was so disrespectful, considering you barely had any information.

Hi Jamie. Our office only has one attorney and is often booked all day, thus unavailable for on the spot legal advice. It is general practice for staff to encourage people to set appointments do discuss legal matters. Office staff is unable to provide legal advice, as it is unethical. I do apologize that your experience was less than perfect. We do hope that you were able to get the help you needed.
